## A prayer for the world and the Church

God, who changes not, we trust in you for our todays and tomorrows. We pray for those with responsibility for making key decisions that might change the direction of world or local events. We pray for those affected by the decisions of others, but who feel powerless in the face of forces of change. We commend to you the decisions that have to be made in your Church, and those charged with making them. Take our gifts and talents, voices and musical worship, Lord, and use them we pray in the service of your kingdom. Amen.

*John Morton, supernumary presbyter, Kendal Methodist Circuit*
